CANDIDATES' NIGHT

BRAVO, BRAVERMAN!

Candidates' Night at the Jewish Community Center was a great improvement over the previous week's. Much of this credit is due to the excellent moderating of Mr. Aaron Braverman. Another contributing factor was that members of the audience were limited to asking questions, rather than indulging in "speeches" from the floor.

CANDIDATES

As compared to the previous candidates night, Mr. Charles Verga, handled himself like a pro. As he admitted, he has no experience, but it is quite evident he certainly isn't lacking in sincerity. He deserves a great deal of credit for being so straightforward in his comments.

Mr. St. George continued to speak about "planning for the future" and Mr. Hampel is still concerned with

the senior citizens.

An effort was made from the audience to impugn Mayor Molnar's integrity based on the fact that he is presently driving a car which belonged to last year's Boro Attorney. This caused some amusement when the Mayor admitted owning this car and went on to explain it is a 1957 Lincoln, which had been involved in an accident and "totalled out" by the insurance company since they didn't consider it was worth repairing. The Mayor paid \$100 for it and spent many hours of work in order to put it back on the road. The Mayor called the question "silly and ridiculous".

Regarding the Korvette tax appeal on the part of Mr. St. George, which the Mayor termed a "hcax", Mr. Sattler was asked if it was not true that he, too, had made a citizens appeal last year. Mr. Sattler admitted having filed a citizens appeal, BUT "I was not running for office", he concluded.

OPEN DOOR POLICY.....

John Vignali, very obviously well versed and experienced in being involved with organizations interested in the betterment of our Boro, adhered to the Republican "Open Door" policy at the Municipal Building. "IN THIS CORNER...WEARING PURPLE TRUNKS...."

After the meeting, refreshments were served. During this time the young and vigorous Daggett, co-campaign manager of the UDC, approached the more mature and older Ed Ross, Republican Campaign Manager, and accused him of "being a disgrace to the community" for having put his signature to a Republican ad appear-

GUESS OUR GUEST ..

Today's guest has been a Boro resident for the past 22 years, has served outstandingly in various public offices for a great part of this time. Has a BS Degree in Business Administration and an Associate BA degree in law. In one of his tours of duty in our Municipal Government he devised a particular business system which since has been adopted by hundreds of New Jersey towns. A born leader and organizer, he has many times been referred to as a "controversial figure". A real estate and insurance broker, he always looks as though he just stepped out of the fashion pages of Esquire. Among other fraternal, civic and business affiliations, he's a charter member of East Paterson Rotary and St. Anne's K of C. He's married, owns his own home, is known and respected by thousands of Boro Residents. If you haven't guessed who he is by now, turn to page 12.

ing in last week's Shopper. Mr. Ross reminded Daggett of the UD hate literature distributed early in the campaign, and one word led to another with Mr. Daggett vehemently continuing to upbraid Mr. Ross. Fortunately, LeRoy Toci, Campaign Manager for the UDC, showed good judgment by putting an end to the ridiculous Daggett tirade.

Mr. Daggett seems to feel that anyone who disagrees with him is automatically wrong and becomes his personal enemy. Ridiculous!

Evidently, cooler and more level heads prevailed, since the vociferous Mr. Daggett later called Mr. Ross to apologize.

"THE PRICE OF LIBERTY IS ETERNAL VIGILANCE"

We stated in our editorial last week we did not feel the U-D's were TRUE Democrats and this is the sort of action we based our comment on. We call attention to all those who will challenge anyone's right to disagree with them with the following definition of a DEMOCRAT from Webster's New 20th Century Unabridged Dictionary..."Democrat: a person who believes in and practices the principle of equality of rights, oppor-

Fire Co. 4 Announces Openings For Volunteers

George Burghard, President of Fire Company 4 has reported that the volunteer company is accepting applications for active membership as firemen.

Applications may be obtained at the Fire House on the Boulevard.

tunity and treatment."

Disagree with me.....if you will. That is YOUR privilege. However, it is NOT your privilege to malign me if I disagree with YOU!

AMEN....

And now that the campaign speeches are all over and the die is cast, let us hope that whoever is the victor in today's election will lead our Boro forward, and will be able to count on the support of all Boro residents. After all is said and done, shouldn't we all be concerned with one and the same cause.....the betterment of our Boro?

Anyway, that's my thought....from where I sat.

Board Of Education Occupies New Offices

The Board of Education relocated its administrative office yesterday at the new Administration Building.

The new building was started in April after contracts were let on March 25th. Final completion of the building was accomplished on Thursday, October 28th.

The Administrative Offices had been housed on a temporary basis for a year and a half in the basement of the 16th Ave. School. The offices had been in the old 54th St. School which had been closed for educational purposes and converted into business offices. A fire of undetermined origin destroyed the structure in March of last year.

Funds for the new structure were received from fire insurance claims. The contract awarded for the new edifice was \$60,643.51. J. Thomas Camlet, was the architect.

After the staffs of the administrators are settled and the school board has formally accepted the building, an open house inspection may be arranged, subject to the pleasure of the Board of Education. Relocation of the offices were accomplished Friday by a local mover.

All local youth who qualify for school bus tickets to Bergen Vocational School and other schools are to obtain such at the new offices on 54th and Main Streets.

We can always in this world get what we want if we want it intensely and persistently enough.—ARTHUR SYMONS

And so, this draws to a close——

Dear Voter:

With this letter, my work as Campaign Manager in one of the most vigorous and character-revealing political campaigns in modern East Paterson history, will be concluded.

Character-revealing of the so-called "United" Democrats who

1. Use the "United" name fictitiously, since we all know they do not represent the Democrats of East Paterson, especially since Democratic Councilman Goodwin resigned from their organization.
2. Let's talk accomplishment - ZERO - THE BIG ZERO is the answer. In ten months of their control, your taxes have gone up and your lawns have dried up.
3. United - perhaps united against East Paterson - with a record such as voting to pave streets where they are selling homes.

.... And to you Mothers, Fathers and Children of East Paterson, the question is simply put

"CAN YOU AFFORD TO ELECT THE MEN OF THE UDC?"

I feel that you cannot, and I urge you to vote for your own Mayor EUGENE MOLNAR, Councilman EARL SATTLER and JOHN VIGNALI.

Edward Ross

CONFUSED?...AFRAID TO VOTE AS YOU PLEASE?

You'd be amazed how many people have voiced complete surprise about "splitting their vote". They have been led to believe they must vote one way, and one way only ... top to bottom. This is nonsense! You may vote ANY WAY you please.

For instance..... let's assume you want to vote Hughes for Governor (State Level), but prefer Molnar, Vignali and Sattler at the LOCAL level. All you need do is turn ONE LEVER for EACH candidate of your choice ... regardless of party.

Other reports have come to us which go something like this: "Well, at the local level I'd like to split my vote, but I'm afraid "they'll" know about it. AFRAID? AFRAID OF WHAT?

Once you go into the voting booth and close the curtain, NOBODY, but N O B O D Y, knows HOW, or for WHOM you're voting. There is no way "they" can know. And, even if "they" did.. what's to be afraid? This is East Paterson, N. J. Not Selma, Alabama.

BEWARE

Beware Republican Eve-of-election "News" letters. They are put out on the day before the election so they cannot be answered until after the election. They often contain a wild charge.

Beware also the East Paterson "News-Record" the town weekly. It is a biased journal dedicated to a Republican victory. If you have seen it, you know what we mean.

Thanks a lot, fellows! If you haven't already subscribed ACT NOW!

FINAL(?) ANSWER ON "GEORGI HOUSE"

The suggestion of School Trustee Rose Lopchuk, concurrence by Councilman Goodwin, and protests of the 16th Ave. School parents have fallen upon deaf ears as far as the Board of Education is concerned. Trainable children from Georgi House will be placed in a basement corner of the 16th Ave. School...same basement vacated by Administrative Offices of the Board of Education in favor of a new \$60,000 air-conditioned building.

Ah, well, February not only brings ground-hog day ... it brings School Board Election also.

TODAY is the day of DECISION and---- the decision is YOURS!!

You, and You alone, must make up your mind who do you really want representing you in the Administrative offices of our Boro?
Do you REALLY want the power-hungry "New Greed" who use a hoax such as the Korvette "citizen's appeal" as a campaign issue

YOH COMPANY APPRAISER SAID "SOMEONE LOWERED THE FIGURES I PUT ON THE KORVETTE ASSESSMENT." ASSESSOR PERRY SAID HE KNEW THIS SINCE FEBRUARY. UNDER LAW THE ASSESSORS HAD A RIGHT AND DUTY TO CORRECT THIS. WHEN ASKED AT A COUNCIL MEETING WHY THEY, THE ASSESSORS (WHICH INCLUDE LE ROY TOCI, DEMOCRATIC CAMPAIGN MANAGER), DIDN'T MAKE THE CORRECTION, THE ANSWER GIVEN BY THEM WAS THAT THEY DISCOVERED IT AFTER MAY 1st AT WHICH TIME IT WAS TOO LATE FOR AN ASSESSORS APPEAL. THEREFORE A TAX-PAYER'S APPEAL WAS THE ONLY ANSWER...AND JUST BY CHANCE THAT TAXPAYER WAS MAYORALITY CANDIDATE ST. GEORGE!!!!

Memorial High School's first assembly program for the year will be a unique one. A presentation based on the many faceted study of hypnotism will be conducted by Mr. Welling, who has had both schooling and experience in this field, will use volunteer teachers and students as his "victims". This unusual presentation should prove to be interesting and informative.

The Scarlet Quill, E. P. High's newspaper, has certainly been making news of itself! Earlier this year the staff determined that among its features this year would be a column on colleges for the general information of college-bound students. The column, titled "Spotlight On", began on October 1 issue and discussed Newark College of Engineering as the first of a series on New Jersey State schools. Shortly after the issue was sold, the Public Relations office of N.C.E. sent a letter to Scarlet Quill editors Ruth Librear and Ira Kirsh commending them on the idea and thanking them for the coverage on N.C.E. They also enclosed a list of the names and addresses of people to contact with regard to material on the other state schools. This

The staff received a letter from Mr. Farese, high school principal, praising them for their success and beseeching them to maintain this standard of literary activity.

TUESDAY'S THOUGHT offered this week by

Rabbi Nathan Levinson of the Jewish Community Center

In a book entitled "The Pseudo-Ethic: A Speculation on American Politics and Morals", Margaret Halsey dimly views our nation as a moral swamp. Her view is that our statesmen are unfortunately only representative of us all. We no longer look for guidance to distinguished examples of rectitude, but rather to what we can get away with. That is why the harvest festival celebrated during the month of November assumes such great significance. If only to remind us of the basic problems faced by the Pilgrims, and their attempt to settle in a land where they would be able to worship God as they pleased, Thanksgiving Day serves a very useful purpose. In addition, we are made aware that what we have and what we possess is after all, a gift from the Almighty. In giving thanks for the plenty that abounds in our midst, we must at the same time learn to share our good fortune with those in need here and abroad.

Unfortunately, it becomes necessary time after time to remind us that if we abuse the natural resources that God has blessed this land with, and misappropriate the labor and sacrifice that makes growth and development possible, we are making no provision for the future. It is also true that only by strengthening the moral fiber of our citizens will the age-old dream of the Prophets attain reality in our time.

Let us use this month of Thanksgiving to rededicate ourselves to all that makes living in these United States such a cherished ideal, and work for the Preservation of the form of government and institutions that our early settlers valued so highly.

DANNY AND BILL -- Host Danny Thomas is joined by comedian Bill Cosby (right) in a sketch on Danny's NBC Television Network colorcast special "What Makes People Laugh?" Monday, Nov. 8. Cosby is co-star of the NBC-TV "I Spy" series.

Danny Thomas Special

Martha Raye, Bill Cosby, Tim Conway, the Three Stooges and the Spike Jones band help Danny Thomas premiere the first of his five color specials as they star in "What Makes People Laugh?" on the "Danny Thomas Special" Monday Nov. 8 (9-10 p.m. EST) on the NBC Television Network.

Special guest Martha Raye appears in skits with Danny and the Three Stooges and sings "Get Happy" and "I left My Heart in San Francisco."

Bill Cosby, who is the co-star of NBC-TV's "I Spy" series, does a monologue about the problems children face on their first day in kindergarten, and how a pointed index finger makes an excellent gun when youngsters are playing cops and robbers. Tim Conway portrays Boy, the son of Tarzan, and tells interviewer Danny Thomas how modern life has changed things in the jungle. Conway then tries to deliver a lecture on the structure of comedy -- while the Three Stooges and other comedians create havoc in the audience.

Spike Jones' City Slickers, fronted by 16-year-old Spike Jones Jr., brings out the washboards, pistols and bells to perform "Holiday for Strings," "Chloe" and "Cocktails for Two."

For the finale Danny and the cast sing "If I Ruled the World."

Tuesday Night At The Movies

Presley plays Tulsa McCauley, a tank gunner with the U.S. 3rd Armored Division in West Germany. To win a \$300 bet for two buddies, Tulsa is persuaded to woo Lili (Miss Prowse), a cafe danseuse reputed to be an iceberg to all G.I.s. The two find they are falling in love, until Lili learns she is classed as a military objective -- Tulsa's target for the night. The cast includes James Douglas as Rick and Robert Ivers as Cooky, Tulsa's tank buddies; Leticia Roman as Tina and Sigrid Maier as Marla, friendly frauleins, and Arch Johnson as Sgt. McGraw.

Presley sings his old hit, "Blue Suede Shoes," and 10 other numbers. "GI Blues," a 1960 Paramount film, was produced by Hal Wallis and directed by Norman Taurog. Edmund Beloin and Henry Garson wrote the screenplay.

OUT OF MY MIND . . .

by Uncle Andy

NECESSITY IS THE MOTHER

At the First International Inventors and New Products Exhibition, recently held at New York's Coliseum, there was a better mousetrap on display. In fact, reported Newsweek Magazine, the world's most elaborate and infernal better mousetrap. Your guess, as to the market for the more than 10,000 devices presented, is as good as the next fellows. Some items that have a chance of winding up in the home include: A washing machine that employs ionic action....to clean clothes without soap; vitamin-enriched, digestible diaper pins for babies who like to put things in their mouths; a shoe heel that can be rotated to permit uniform wear; a typewriter ribbon with a built-in eraser; chair and a cocktail table that convert into cribs; a poleless tent that automatically erects itself when inflated; a roll-on solution that holds up women's stockings; a fountain pen that converts water into ink; a solar barbecue stove that cooks by the sun's rays, and many others.

FAMILY CIRCLE

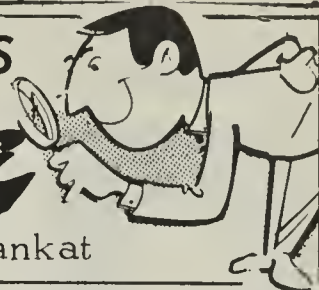

My father was a sentimentalist. Though he'd be the last to admit it. Especially to any member of the family. Every weekday evening before the advent of radio and television, after the dinner dishes had been washed and put away -- and homework assignments checked and ready for the next morning -- we sat at our assigned place around the dining room table. It was father's reading time and mother would give him the book and a cup of black coffee and we listened attentively while he read to us. If we didn't pay attention we were sent to bed. No fuss; no arguments. As he read, if he came across an emotional or moving portion of the story his voice would falter and he'd stop for a sip of coffee, blow his nose and continue with the preface: "I must be getting a cold." After the reading there was a question and answer period and then off to bed. My father loved the printed word. Books, magazines, newspapers and even the circulars that came in the mail opened the doors to knowledge, adventure, mystery, history and the facts of the world. As a result we all love to read even though we must share spare time with radio and television. It is gratifying to note that the grandchildren have inherited the love of books.

TO TATTOO OR NOT TO

Ever since I was a boy I have been fascinated by tattoos. What causes a person to want one in the first place? When tattoo studios or "parlors" were allowed in New York, I spent quite a lot of time gawking through the windows while men, and quite often women, underwent what must have been a painful ordeal. The word "tattoo" comes from the Polynesian "tatu". Sailors brought the word with personal examples of the work to Europe and the United States. In Typee Herman Melville describes how the Marquesas islanders of the central Pacific were tattooed. The artist was "working away for all the world like a stonecutter with mallet and chisel. In one hand he held a slender stick, pointed with a shark's tooth, on the upright end of which he tapped with a small hammer-like piece of wood, thus puncturing the skin, and charging it with the coloring matter in which the instrument was dipped." Marquesans and other Polynesians etched entire torso.....The Dyaks of Borneo incise elaborate patterns into their legs, feet, arms and hands. Every little mark has a meaning and confers status. Until recently, for example, Dyak men could tattoo their thighs only when they had taken an enemy's head, according to the National Geographic Society.

QUESTION:

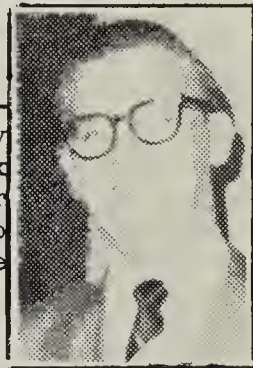

"IF NEW JERSEY MUST HAVE A FORM OF STATE TAX, WHICH WOULD YOU RATHER HAVE, A TAX ON SALES OR ON INCOME?"

This week's question asked by:

Thomas Dunnican, Fenscak Avenue
(Asked in various locations in the Boro)

MICHAEL DALY, Gilbert Avenue: I prefer the lesser of the two evils, the sales tax because instead of having a set amount deducted from my salary each week, I think I'd rather pay the sales tax on purchases. The sales tax would help the economy of our state.

ROBERT ROSS, River Drive: Sales tax, because when we go to other states we pay their sales tax. With a state sales tax others coming to our state would pay our tax, also. With income tax we'd have to pay it all ourselves in addition to the sales tax in other states.

PEARL ITAK, Gilbert Avenue: I wouldn't like to have to pay either. I would like to see the state pass a bill to run a lottery, such as New Hampshire does. I think we could make enough to cover state expenses adequately.

JACK PERANIO, East 54th Street: I prefer the sales tax, because I would rather pay as I go and not have a set amount taken out of my salary each week.

JOHN VIGNALI, Boulevard: I would prefer the state income tax because it is based on your wages and ability to pay rather than a sales tax which is levied against everyone regardless of the ability to pay.

During the past few weeks I have concentrated, primarily, on skin care. Since we have dealt with the preliminaries of make-up, today, I would like to start with the proper procedure of making-up and if space allows explain the different types of foundations for the respective individual.....I would like to deviate at this point for a moment and try to answer a very popular question usually connected with make-up coverage. WHAT ARE SPOTS WE CALL FRECKLES AND CAN THEY BE COVERED? Actually, freckles are yellowish, brown spots that appear after exposure to extreme sunlight. In some people it disappears quickly, while others it remains a long time. In all cases freckles are the result of the action of the sun on certain cells of the skin which causes them to produce more pigment than usual. There are also cases in which freckles come naturally, just as the skin is fair or dark..In relation to this there is just a certain amount of coverage that can be applied to hide freckles without producing a mask-like finish. The cosmetic suggested is a very pale green foundation that lightens the skin and this would be applied under foundation - it helps greatly to blot out freckles.....Now to get back to the proper approach to make-up, there is a definite pattern that should be followed and in following it you will find it will aid greatly in avoiding smudges and frustrations that can easily arise when we are in a hurry to put on our make-up - once you know how, it will be easy. The steps are as follows:

A. CLEANSING THE FACE: This will remove all previous make-up and residue of the face.

B. FRESHENER OR ASTRINGENT: This liquid removes excess cleansing cream and shrinks pores.

C. MOISTURIZER: A conditioner for the skin as well as a protective base for make-up.

D. COVERUP: A Skin Toner and also a camouflage for shadows - lines and wrinkles.

E. FOUNDATION: A blended make-up to match natural skin tones.

F. ROUGE: A soft tinted cream applied from cheekbone up to temple and down side of face.

STOP, LOOK & LISTEN

Councilman Goodwin's resignation from the United Democrats on the eve of the election is causing a great many Democrats to take a second look at the Democratic candidates and the people behind them.

Who are they, what have they done, and what do they want?

ELECTION DAY

Today is the day when people will be called upon to choose their local Mayor and Councilmen....to date, no earth shaking statements have been made...therefore the electorate will have to judge them on past performance rather than promises concocted in the last three weeks before election.

OBSERVATION

If I were a betting man, I would bet on Charles A. Verga to be the only winner on the Democratic ticket Charley has never been active civically, but he moved around well and is a real campaigner.

VISITORS

While the GOP brought in some big guns to speak at several meetings, the Democrats brought in some outside reinforcements from Bergen County to campaign from door to door. Does this indicate a sense of insecurity on the part of the Democrats, or is it a lack of supporters?

BOTTOMS UP

The report given at a UDC meeting on the sale of tickets for the Cocktail Party to be held three days later, netted only 33 paid tickets. I was one of the lucky holders of a free ticket, and I must confess I felt guilty as I clanked glasses with various people not knowing whether they paid or whether they, too, were in my shoes. Nevertheless, the drinks were sufficient to overcome my guilt complex!

SLATED FOR THE AX?

Rumor has it that Boro Clerk Ronnie Frano is slated to go job hunting January 1, 1966 for refusing to kow-tow to the Boro Tax Collector.

However, barring a clean sweep by the U-D's, the well-liked Frano can count on support of Republican Councilmen and the two Democratic Councilmen not seeking re-election at this time.

EAST PATERSON JAYCEE News

Bob Saccamanno, President of the East Paterson Junior Chamber of Commerce, revealed today an essay contest for public and parochial students in the seventh and eighth grades which is designed to instill in the youngsters a greater love of America and a deeper appreciation of her heritage.

In making the announcement, Saccamanno, said, "We are joining forces with over 5,500 Jaycee chapters in the entire United States in an effort to make our historical heritage a living fact and give meaning to our struggles which made America strong.

Sponsoring the contest is the Independence Hall of Chicago and the United States Junior Chamber of Commerce. Dr. S. L. DeLove, president of Independence Hall, an educational non-profit organization begun 10 yrs ago, selected the Junior Chamber of Commerce as the force to promote the contest, because Jaycees believe in the principles establishing America and are best situated to promote American history in our young people.

George Loenstein and Alex Franz are Co-chairman of the contest.

It was also announced at the meeting by Gary Golden, that the club painting project has already begun. The Jaycees started on Thursday evening the 21st in the Cherry Hill section of the Borough. The background paint was put on in front of approximately 100 homes. The Jaycees will be out every evening depending upon the weather.

It was also announced that the Jaycees will be available Election Night between 6-8 to supply transportation to anyone who needs a ride to the polls. Call 797-9502.

SPORTS ROUND-UP

by PETER N. CIOLINO, SPORTS EDITOR

East Paterson Crushes East Rutherford...

Head Coach Ken Karl's green team ran rings around a determined East Rutherford eleven

and left them seeing red.

Going into the fray, many of us sideline coaches feared the worst. We knew our team was, and we quote Ken, "Coming" but felt it would take a few more games to "JELL". Big Full-back Nick Ferrara battered the opposition from pillar to post in scoring 3 touchdowns, and when the opposition started keying Nick, who faked beautifully, quarterback Ira Kirsch would hand off to Gary Karl who scored his first touchdown of the year, Richard Skudera who scored his first touchdown of the 65 season, and Bob Sudol.

Ira Kirsch again showed his talents not only in handling the ball, but running like a halfback. The defensive team again put on a show of presenting a stone wall, when a East Rutherford 40 yard pass brought the ball down to the East Paterson 7 yard line. Teeth ground, backs stiffened and the defense stopped the opposition cold.

The entire team was used during the fourth quarter, to the delight of the Moms and Dads.

Anthony "Buster" the toe Hodum kicked two extra points and Big Bob Thornton, only a sophomore and real prospect, booted one.

East Paterson travels to Passaic this coming Saturday, November 6th. Game time 2 P.M.

JV's play home Mon., Nov. 8, 3:45 PM
- Freshmen, home, Nov. 6, 9:30 A.M.

Crusader "Booters" Clip Clifton

Undefeated Clifton moved into East Paterson for a soccer game that was going to be a "tune up". Sporting a 5 and 0 record against the Crusaders 1 and 8 record seemed on paper a sure win, but Coach Luigi Abramo's fighting team wasn't taking anything for granted, especially a loss.

Inspired by their defeat of previously undefeated Clifford Scott of East Orange, our boys again spoiled a perfect record by dumping Clifton 2 - 1. Doug Koch made 22 saves at the Crusader goal. Dennis Courlet and Wayne Nelson connected for East Paterson goals.

East Paterson travels to River Dell this Thursday at 3:45 P.M.

J. V. Soccer moves to Fair Lawn next Tuesday, November 9th at 3:45 P.M.

Freshman Soccer team closes their season entertaining Rutherford home at 3:45 today.

Cross Country Team

The Crusaders cross country team outran St. Bonaventure last week by a 22-35 score. East Paterson capped the first 4 slots with the following time:

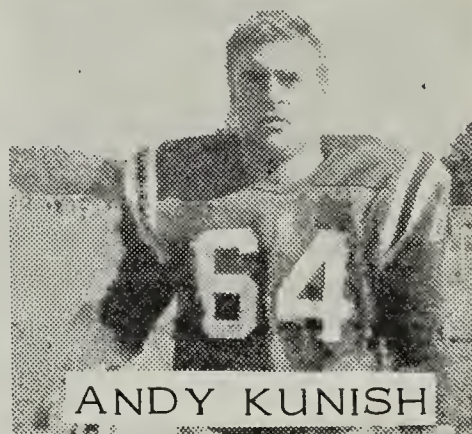

- 1st Gary Martinson.....13:38
- 2nd Glen Siegel.....13:50
- 3rd Bob Toriello.....14:11
- 4th John Gaboda.....14:12

Fifth to tenth place was won by the Bonnies. The win sets a new record as they had one win since inception of cross-country in East Paterson. Head Coach Ed Berkhout is working his boys diligently for the upcoming N.J.S.I.A.A., Saturday, November 13th at Northern Valley Regional 10 A.M.

FRESHMAN WIN 14-7
